

Abbesses Amour Guest Comments

Sue and Neil – Melbourne, Australia

Dear Gail and Preston,

We have had a wonderful time in Paris staying at your apartments, both Prestigious Junot and Abbesses Amour. Gail, we are very appreciative of the solution you put in place to help overcome the problem with our unavoidable late arrival. Both locations are superb. Montmartre is very lively and interesting with many fine shops and eating places. At the same time it is within easy access of the restaurants on your list, particularly Café Qui Parle and Relais Gascon. We also enjoyed Mon Oncle which has only been open for 2 years. It is almost next door to Abbesses Amour. We look forward to our next visit to Paris and hope to stay in another PerfectlyParis apartment.

The apartment has been great. We love Montmartre and spent a fab Sunday afternoon watching live performances at Sacré Coeur. We would recommend 'Coquelicot' for breakfast service slow, food great. We look forward to returning.

Thank you for a lovely stay. The flat is clean and well appointed. Perhaps you might consider putting a mirror next to an electrical outlet – hard to dry one's hair without it. See you on my next trip.

Dear Gail,

Had a very nice visit. A couple of things you might want to add to your information list – that if people go to FNAC they can buy their tickets for museums in advance – thus avoiding long line ups.

Thanks for getting us in the apartment so quickly. Have a good summer.

Thank you so much for your warm welcome and for taking us in on such short notice. We've loved this little apartment. It's like living in a doll house. It's very comfortable and quiet. We've also enjoyed getting to know the neighborhood.

If any future guests are looking for couscous, we recommend La Taroutand on rue Aristide Bruant – just down the rue des Abbesses. A little further away is a great Thai/French restaurant, Iyara (57 rue Caulaincourt). You need reservations on weekends, but the food is special and the welcome warm.

We take many pleasant memories with us and wish you well.

Hi Preston, Well, we all had a great time here in this lovely accommodation. It is a marvelous base to break out and see Paris – and as your other guests have said, you don't need to go very far to enjoy excellent food! Many thanks for all your help at the beginning. We will certainly come back in the near future and enjoy these facilities again.

Excellent appointed apartment, perfect for exploring the wonders of this exciting city. Loved Montmartre, such contrast between 'touristy' hustle and bustle and the quiet back streets with quaint cafés and restaurants.

'Les Fondus' (rue des Trois Freres) proved a fun experience, you need to try it to believe it, food authentic and very reasonable set menu – kids would also love it! So much to do, so little time... we will be back!

P.S. Perhaps you could consider a CD/DVD player.

Thank you for your customer service. It is A1! Your apartment is well appointed and in my favorite district, Montmartre! Gail – I hope to rent another apartment from you again! I'm a huge fan!

Many thanks to PerfectlyParis, particularly Preston during our stay, and Gail prior to it.

Always available, always helpful and for being there for any query.

Wonderful service and good recommendations, in fact we ate at Le Basilic for our last two nights here. We enjoyed the articles, too.

We loved "My Genie in Paris" for its help. We shall return – soon, hopefully.

Dear Gail and Preston,

Thank you for having us stay at your delightful little apartment. It was very cosy and well furnished; a warm little sanctuary in the sub-arctic temperatures outside! The 18th district was very colorful and interesting. We hope to stay at another one of your wonderful apartments next time we are here.

Hi Gail and Preston,

So already our week in Paris comes to end in this unbelievably well situated and cosy apartment. This has been an ideal launching point for our many exciting forays into Paris and its marvelous sites.

Thanks for your warm welcome and very helpful advice to make our stay so memorable.

The apartment was a warm haven in a rather cold visit, but our spirits were always buoyed by the fact that we could easily find our way back here.

Keep up the excellent service and friendly manner by which you both operate.

Dear Future Guest,

1. Get a baguette from Le Grenier à Pain
2. Go to Chateaubriand
3. Drink a lot of red wine

Apartment is great! Such a good stay. Thanks Gail and Preston.

Dear Gail and Preston,

Apartment is wonderful, stylish, clean and very well appointment! (Could do with a mirror in the living room and bedroom, though).

We were exhibiting at Maison et Objet all week, so it was lovely to come back to somewhere with everything already in it!

Recommend the patisserie around the corner on the square – it opens early.

Thank you so much for the wonderful welcome and for a comfortable stay in Paris!

Dear Gail and Preston,

Thank you for everything, we had a wonderful time! The apartment is clean, very well equipped and beautiful!

We recommend 'Coquelicot' for breakfast.

Could use a mirror behind the bedroom door and an outlet.

Dear Gail and Preston,

We are very sorry to be leaving your lovely flat on rue Durantin. We felt very much at home here and enjoyed our stay.

Preston's welcome was warm and the apartment in excellent order and it is very well equipped with everything one needs.

Maybe one suggestion: it would be very useful to have more than 2 folding chairs so that visiting friends can sit down at the table with us.

We hope to come back one day!

Thank you for providing such a charming, comfortable and well equipped apartment. We spent three wonderful days, weather brilliant!, experiencing the magic and joys of Montmartre. We selected this apartment since it was within walking distance of the Moulin Rouge. The show was fantastic!

Mille remerciements! We have so enjoyed staying here. Comfortable, relaxed, it has given us a taste of life as real Parisiens. I've felt as well as though I were walking back in history, just a whisper away from all the people who lived in these apartments before. Thank you for welcoming us; thank you for the wine, thank you for all the equipment one could need, especially cafetière and the French dictionary.

A bientôt! We have already promised ourselves we'll be back.

Dear Gail and Preston,

My stay in Paris has been wonderful thanks to your comforts in the apartment. I appreciate being able to get in touch with family back home and have access to all the amenities.

The apartment is both secure and comfortable and you provided me with all the things I would recommend for my week's stay. So thank you!

I have thoroughly enjoyed my time here and look forward to returning in the near future!

Thank you Gail and Preston and thank you Paris!

To Gail and Preston,

This is a wonderful location for visitors to stay and enjoy the Parisienne culture. Abbesses and Montmartre have been most enjoyable as we tend to wander a lot.

We have used the metro extensively and recommend to all future visitors to become comfortable with metro and RER train network very early in their stay.

We loved visiting Sacre Coeur, the Eiffel Tower, Notre Dame and Sainte Chapelle, Musée d'Orsay and also a train to Versailles – all very enjoyable to be able to visit such magnificence – especially Versailles.

Thanks Gail and Preston

We loved our stay in Paris and your apartment was perfect for us. We found it easy to slide into the Parisien way of life... even in the heat. It was amazing to be here at such a busy time, but so joyful. The tips for restaurants were great. It is fabulous to be able to walk around the corner or even across

the road for a beer after a hot day sight seeing. Around every corner is something fascinating and we will be back.

Merci beaucoup and au revoir.
