

Calm in Montmartre Guest Comments

Aideen and Emma – Ireland July 2011

We were really glad we got to stay here. Here are the pros and cons of the place:

Pros: great location! Relatively quiet, peaceful, clean.

Cons: Uncomfortable bed and couch. Needs a fan in the bedroom – sleeping was very hot!

Thank you for the stay!

Appartement très sympathique ou nous avons passés un excellent séjour. Très calme.

A great location close to public transport and attractions in the immediate area.

A couple of house-keeping matters requiring attention:

1. Washing machine needs to be secured. Rattles around on first spin cycle – not all feet flat on floor.
2. Bedroom windows shutter exceptionally hard to secure correctly.
3. Wardrobe roller door behind bedroom door requires attention. Unable to roll correctly due to large bag stopping it.

Otherwise, a comfortable little spot for our stay.

A wonderful cozy apartment for 1 or 2 people. Everything was in working order and the kitchen, although compact, was more than sufficient to make a few meals. Thanks for the lovely stay!

Agree with Daphne's comments, loved the fact that helpful local maps and Paris transport info was left. Very appreciative of our lovely arrival greeting and wine. Thank you for a wonderful stay. Also, appreciated the ease of communication with arrangements.

We enjoyed our stay here! The PerfectlyParis team was super helpful. Nice apartment comfortable for the three of us. Neighbors walking upstairs on Sat/Sun was really loud. Could have used more trash bags and toilet paper. Keep up the good work!

The apartment was lovely perfect for 2 people and definitely recommend for a Paris trip. The location was convenient and the amenities provided are generally well stocked. Just one suggestion: could you stock some toothpaste for guests?

Beautiful area! Well maintained and a pleasure to stay in.
