We came to stay for four nights and loved it! Great area, close to the metro and a wonderful apartment. Clean, big and well appointed!

So many features of this apartment please us! It has been a pleasure to spent time here, rather than out. Having said that, we have achieved all our must sees for me - hundreds (literally) of 19th century paintings, if these don't result in 2 first class essays I shall be disappointed. For Rob - the auction houses and antiques at Clignancourt. Finally two lovely days in the parcs – Jardin de Luxembourg, Parc Monceau and Buttes Chaumont. I want to take home the white throw in the sitting room and the mirror in the bedroom and, and.... thank you Pauline and Gail. All the best.

Our first trip to Paris and what a pleasure it has been. This apartment has been a little piece of heaven away from the larger heaven outside the door. We will be back. I want to take home the wall luminaire in the bedroom – loved it! All so charming. Thank you.

Absolutely perfect! We had a fantastic time and loved the apartment. We left the city walks with kids – Paris for others to enjoy.

We have had a most wonderful stay in Paris for the last 9 days. It was made even more enjoyable by the comfort of this beautifully decorated and well appointed apartment. It was more spacious than we anticipated. It's located around some of the most quaint and beautiful streets of Paris, especially Abbesses. Thank you for making our stay that much more enjoyable and comfortable!

Having 12 days on my own in Paris has been a wonderful experience and this lovely apartment has helped make the stay memorable – it was great to have somewhere pleasant to return to after a hard day of sightseeing! I've left a couple of books and a DVD for others to use.

We came to this beautiful city for a family wedding – a very special time! We stayed in this beautiful apartment on a beautiful street. Bliss! We looked out the windows on the morning we awoke to snow – and it was magical. Definitely PerfectlyParis!

We have delighted in the glimpse of Parisian life we've enjoyed with this apartment. We never want to leave! Enjoy future visitors, enjoy!

Don't miss the wonderful cheese store on Caulaincourt and the macaroons at Arnaud Larher a few doors down.

We spent a week here with 2 very young children and had a fantastic time. It's a great spot – quiet but very convenient and charming. The apartment had everything we needed and was very comfortable (except the water was way too hot and dangerous esp. with young kids). We'd definitely recommend the flat to others and Paris turned out to be a great family destination.

Wonderful first week in Paris – very hot and exhausting seeing all the big attractions. So lovely to come “home” to this cool (in every sense of the word) apartment at the end of each day. Great books, DVDs, music and beautifully decorated. Will recommend PerfectlyParis to all.

We have enjoyed having this apartment and its wonderful neighborhood to “come home to” after busy days of sightseeing. We enjoyed shopping in the neighborhood for meals. The cheese shop on the street is wonderful and the shop keepers' recommendations were superb! Bakeries are all good (we tried them all!). There are lovely walks to have all over – don't miss doing walks over and over in the neighborhoods as it is so different at different times of the day.

Great jazz station on the radio! Great restaurant recommendations in the book in the apartment.

Thank you all so much for this apartment. It was fantastic to stay here. The apartment is light and airy – quiet – yet in the midst of a bustling neighborhood.

Very sorry to be leaving before the “doors open” weekend but we'll enjoy it back home in Glasgow.

We are heading home after a most enjoyable and satisfying stay in PerfectlyParis. We got to see all the touristy sights and came back each night to a most relaxing apartment. It is without doubt a home away from home – beautifully decorated with everything one could possibly need. Thank you so much Pauline and Conor for all the tips and helpful information. We thoroughly enjoyed ourselves and would like to come back again.
