My husband and I decided on a last-minute, 3-week trip to France in September 2010, the first challenge was finding a place to stay. Thankfully Gail of Perfectly Paris was able to provide us with a FABULOUS space.

"Montmartre with a View" at 4 Rue Gaston Coute was perfect in every way: great location on a quiet street, wonderfully furnished space, and beautiful views. Sunsets in September are amazing from this luxurious penthouse. The cost was on par with area hotels but the amenities made it much more welcoming and charming. It was the ideal place to relax at the end of a long day of exploring.

I wish we could have stayed two more weeks. When we return to Paris, I know who we'll call on for our apartment rental.

We had a great stay in the apartment! The views and overall comfort and quality of the apartment were excellent. We liked the decor and modernisation to add extra comfort

I just wanted to say that I really enjoyed the Montmartre apt. and neighborhood. It worked out very well for my extended business trip. The close by Metro was very easy to figure out and I enjoyed exploring the local bars and restaurants. You have a terrific property and I enjoyed coming home every night!

My sister and I had a wonderful time in Paris. The apartment was terrific. My sister absolutely loved it and it made our stay so much better. Thank you so much for all your help. I hope to be in Paris again next year. Thank you again for making our stay so effortless and comfortable. I will highly recommend you to my friends and let American Express know their recommendation was perfect.
