As the name describes, Stylish, wonderful position and lovely village. It has been a privilege and pleasure to come to one of the most visited places in the world and stay here. Thank you.

A delightful stay in one of our favorite places in Paris. L'Entre d'Eux, a little bistro at 76, rue des Martyrs was a great find. Its owner Jerome, a young man who spoke a reasonable amount of English was very attentive and guided us through a very well executed menu.

A fantastic location and lovely apartment. We really appreciated visiting Montmartre. It appealed to both us older and our younger adult children. We had a great meal (traditional French cuisine) at Le Basilic on 33, rue Lepic. We used the metro every day so really appreciated being so close to Abbesses metro. The apartment was functional (even without the washing machine) and extremely easy to keep clean. We will definitely recommend PerfectlyParis to all our friends in Western Australia. Thanks Gail and Preston for helping us have a lovely holiday in Paris.

What a wonderful way to experience Paris staying in our own fabulous apartment. The location is great, we met the downstairs owners and they were lovely. Metro is so close, and the food choices are awesome. The morning café au lait at Coquelicot was excellent, wish I could take some with me. Thanks for all your help Preston and your welcoming us on our first day. PerfectlyParis is, well, perfect!

P.S. Try Le Templier de Montmartre, great food, nice enclosed patio and good service.

What a lovely stay we enjoyed in Paris. Merci, Preston who was so helpful in helping us get settled in. When we come back we will feel our home in Paris awaits. We would recommend the night taxi ride to see the Eiffel Tower.

An amazing stay. Great location and extreme welcome. Thanks Preston. This was our fourth stay in Paris and yes the most amazing. We were not tourists, but travelers. Enjoyed the setting and night life. Thanks again.

Hi to all other visitors,

This is our 5th time in Paris in the past 5 years (and always with PerfectlyParis!). Staying in the Montmartre area is great, especially with the Abbesses station so close – so in nice weather we go for long walks, and in the evenings enjoy strolls up to Sacre Coeur.

The restaurants and night life are great. We went to a local Irish pub for St. Patrick's day. The food is wonderful – either picking up, cooking at the apartment or eating out. We tired a few “off the beaten path” places. A short trip to Versailles on Monday (when the chateau is closed) was nice and quiet and our 2 girls with their friend rowed a small boat in the main lake in front of Versailles. What a great experience!

What a fab location to stay in gay Paris! We loved the stay – heat wave and all. Wonderful food in the area and easy access to the metro.

We found the location of the apartment was brilliant – some very good places to buy excellent quality food and also being so close to the metro.

With two young children (ages 2 and 4) we did find the musical entertainment in the square a little loud in the early hours of the morning but did enjoy the Bastille Day celebration.

The apartment itself was lovely – it was nice that we didn't need to buy washing up liquid, sponges, etc. and if we did revisit Paris we would certainly use PerfectlyParis.com for our accommodation needs.

We loved our stay at Stylish Abbesses! The apartment is a great location as we used the metro everyday – so it was very convenient to visit all of the sights. Thank you Preston for a warm welcome and making sure we got settled in – especially the 2 girls with their WIFI access! The local shops and restaurants were great to visit on our breaks back to the apartment before nighttime activities. Thank you to our friend Linda in Woodstock, IL for recommending PerfectlyParis.com – we will return and enjoy beautiful Paris.

The Stylish Abbesses was everything as described and more. The apartment was cozy and comfortable. But what we liked best was the central location and easy of travel between several metro stops.

We look forward to returning to Paris in the future, and we'll most definitely plan to stay here again.

A special thanks to Preston for his overview of the apartment and general area.

Great location! Loved all of the activity on the street outside of the apartment. And also being so close to the rue des Abbesses with all the food shops and boutiques. Living in this area for almost 3 weeks was such a unique experience. We rode the buses, not the metro. Gave a great overview of Paris. The 80 and the 95 on Caulaincourt at the end of Abbesses both go to different parts of the center of the city and one can walk to all the main areas from there.

Le Moulin de la Galette is a wonderful restaurant with fabulous food. Although expensive. Also enjoyed the restaurant at the end of Vieuville on the other side of the street from the apartment. Rendez-Vous de Montmartre.

We had a lovely stay, despite a disastrous start to fog, snow and ice! We never met Gail or Preston face to face but they were endlessly helpful and understanding. The house notes were great – you thought of everything. We didn't master opening the grille door downstairs with the key but my brilliant husband put his hand through and the key worked from the inside. We were toasty warm despite the snow and we'll be back!

Abbiamo trovato un appartamento comodo, luminoso e ben arredato. Abbiamo trovato tutto necessario per un soggiorno confortevole e piacevole.

La posizione è eccezionale, a due passi da Montmartre e dal Moulin Rouge.

Preston è stato gentilissimo e sempre disponibile. Ci piacerebbe tornare ancora! Grazie!
