-Our stay was delightful. The apartment is magnificent, elegant, tasteful, comforting, well equipped. Every need within the apartment met. The orientation materials were informative and practical. The location of the apartment could not have been any better. It is within walking distance from different metro stops of three different lines. Place de Clichy has everything to offer: restaurants, entertainment and more. We take our hats off to PerfectlyParis Thank you for making our stay so easy and enjoyable.

-Beautiful apartment! Wonderful holiday! We loved the location-close to the metro. Thanks for providing us with all the great informative information in the blue folder. Restaurant recommendations close by: Chez Toinette 201 rue Germain Pilon and Domaine Lintillac (Duck only) 54 rue Blanche 75009.

-We enjoyed the apartment. We had 4 adults and our 1 and 1/2 year old and it was very comfortable. We especially appreciated the child friendliness of it- plastic kid cups, a step stool, and children's story books.

-I don't know how our stay could have been any better. We were very comfortable in the apartment itself - computer, washer/dryer, furnished kitchen, large bathroom and the neighborhood had everything we needed four metro stops, bus stop outside the door, cafes, and the Parc Monceau a 15 minute walk away. Thanks for thinking of everything.

-It was delightful to spend time in this apartment. We were so pleased to be so close to many little food shops and we loved the croissants from the corner. Please be careful of the carpet on the stairs it has come loose and an injury occurred.

-Le Musée Marmottan Monet displays the preparatory sketch for your Caillebotte print, "Rue de Paris, Temps de Pluie", 1877. This lovely little museum is walking distance from the metro stop La Muette (line 9). It's great to be so close to so many places. It was

especially convenient to be so close to St. Lazare the morning we took the train to Bayeux where we viewed the Bayeux Tapestries and the next day took a 9 hour tour of the American Beaches of Normandy with "Battle Bus" – a great choice (www.battlebus.fr). We truly appreciate this lovely apartment.

-What a delightful time we have had here in Paris in this beautifully appointed apartment. Many thanks for all the "little things" that made a big difference. The central location was great and so were the restaurants. Looking forward to returning!

-We have had a great week. The flat is beautiful and extremely comfortable. Preston could not have been any nicer or more helpful. The building was under construction and I am sure it will be wonderful once it's all done! We will recommend PerfectlyParis very highly!

-Gail & Preston, We had to write to express our delight with the apartment, Tranquility in the Eighth, which we rented between 29 December and 5 January 2009. It was everything one could hope for, being especially well-equipped, spacious, and comfortable and in a very good location to local shops and the Metro. Having 2 delightful patisseries at the top of the street was a fabulous way to start each day, and spotting the Saturday market in the same location made us feel a little like local Parisians for an hour or so. We also found a couple of nice bistros within easy walking distance, and the information in your folder was very useful. Thanks again, including Preston's welcome on arrival and his ready assistance the following morning, when we underestimated the weight restrictions in the small lift. Our fault, not yours! If you could post this vote of thanks in your Guest Reviews, please?

-We had a fabulous week in Paris, rediscovering the city as tourists with kids. The apartment was a great base to explore a neighborhood we do not know well and is well connected to the rest of the city. The restaurant across the street 'Le Percolateur' just opened and we warmly recommend.
