Hi Gail, I really enjoyed my time in the apartment. It's a great location and so easy to get to from the Eurostar. I love the area and the restaurants around Montmartre are fab. I'd definitely stay again. Clean, central, amazingly quiet with Sacré-Coeur and the amazing food and nightlife of Montmartre at the doorstep. It's everything you could want and only 20 min to Walk or 5 min Uber to Gare Du Nord for the Eurostar. I stayed here for 2 weeks and would happily return next time I'm in town. All the best, Darin

She always gives me prompt reply and I really like the clean rooms and location! I enjoyed neighbourhood. There is a lot of cafe and store close by such as cheese, wine, meat and veggies. Thank you, Gail, and I love to come back.

The apartment was clean and very light. neighbourhood is great, a lot of restaurants. Gail left us several suggestions for restaurants in the area, unfortunately we didn't stay long enough to try them all! I would definitely recommend this apartment for a family.

Thank you so much for allowing us to stay in your beautiful apartment. We had a great time visiting Paris and were able to hit the "must do" monuments easily thanks to the metro. We ate locally a lot and found all restaurants to be accommodating and delicious. The baker on the corner knows us by name. We love the following things about the place:

Location – close to Metro and restaurants, cleanliness, noise blocking windows, an elevator for tired legs, comfortable beds. Frustrating things: Time limits for washing clothes. We understand it but being tourists all day meant impossible wrinkled clothing if we started it before we left for the day. No exhaust fan in the toilet made us get to know each other more than we liked. Always forgetting postcards. We are not smokers so we were overcome with smoke if we wanted to sit outside Dropping something on the floor in the late evening – sorry neighbours!! All of the above has nothing to do with the apartment. Thanks so much!

Communication with Gail was excellent. She responded immediately and we arranged our trip so easily with her at short notice. The apartment is lovely, very nicely decorated and exactly as described. The bathroom is very spacious; the toilet is in a separate room, which has very little space. The double bed was extremely comfortable and both bedrooms are very spacious, plenty of closet space and nicely separated from each other so you feel you have plenty of privacy. Plenty of towels. The apartment is very central to transport (bus stop outside the door, metro a short walk) and right in the middle of lovely an area with cafes and restaurants. You don't have to travel in the afternoon/evening if you want to relax in a lovely and local area. The lift in the building is very small (apartment up approx. six floors), so if you have claustrophobia in small spaces, you may find this difficult. We would return and enjoyed the apartment for the location for visiting Paris and the area is lovely.

Nous devons loger dans un autre appartement géré par Gail. Malheureusement nous avons eu quelques soucis techniques dans ce premier appartement (chauffe-eau en panne...) mais Gail et son équipe ont pu nous reloger très rapidement dans un autre appartement du quartier, plus grand et sans frais supplémentaire, ce que nous avons particulièrement apprécié. Nous ne tenons donc pas rigueur à Gail du problème rencontré (ce sont des choses qui arrivent !) mais la remercions ainsi que Georgina de sa réactivité et de son professionnalisme pour nous proposer une solution. En ce qui concerne les 2 appartements: très agréables, propres, très bien équipés, avec ascenseur, notice d'accueil très bien réalisée (en anglais). Une bouteille de vin nous attendait même à l'arrivée ! Au final, à recommander !

Gail and Georgina were absolutely brilliant throughout. Travelling with 2 young kids and my 83-year-old mother, we needed an apartment with a lift. The day we arrived however the lift had broken! This could have been a disaster booking through someone else yet almost immediately we were found another apartment nearby in Montmartre for the first night and then on the second day we moved back into the original apartment once the lift was fixed. The service was impeccable. The apartment was exactly how we imagined it from the photos. Filled with light, elegant and just 4 mins walk to the metro. Great area filled with cafes, bars, bistros and boulangeries. We would go back to this apartment and through Gail without hesitation. Thank you so much for taking such good care of us!

A wonderful experience of a lifetime shared with wonderful friends. Being in Paris was a dream item on my bucket list. What a magnificent time of the year to experience it; springtime leaning towards summer with cool mornings and warm afternoons. My tour ran the gambit allowing me to see the Eiffel tower during the day and night and what an awesome visual delight. The Arc de Triomphe was amazing to see and touch. There was the Louvre, Luxembourg gardens, La Bastille. My first visual, the majestic Sacre Coeur which I was introduced via my hotel window only 50 or so feet from the Anvers metro stop only to come closer to it at PerfectlyParis which felt like home in no time at all. I felt like a Parisian in just a few hours of arriving here. There were many other visuals, shops, monuments and exciting train rides through the Paris metro, which introduced me to the Parisian people. Thanks for allowing me and my friends access to your wonderful home that had an atmosphere that allowed us to bond and learn each others likes and dislikes, idiosyncrasies that made us appreciate each other all the more. May your path continue to blossom as you generously share your wonderful space with hundreds of adventurous and idealistic individuals.

What an incredible stay in an adequate apartment – beautifully furnished, enough tools and equipment for our needs. Lets not mention the ideal location – metro, shops, markets and sites. Thank you Gail and team for the perfect match.

Thank you for providing a clean and comfortable apartment for our stay in our favourite Parisian neighbourhood. Although the temperature outside was very high, we managed to stay cool by opening the windows and taking advantage of the breeze. I really enjoyed the library of art books in the apartment.

I've really enjoyed staying at this apartment. Walking and feeling safe was not a problem in this neighbourhood. People in the local restaurants and neighbourhood were very nice and friendly, and overlooked my lack of French. I definitely recommend Casa Lola.

The apartment was so comfortable; we ended up having dinner in almost every night because there were too many lovely epicerias, bakeries and wine shops. The neighbourhood was great, enjoyed walking around the area. Everything was well organised about the use of all the appliances, I didn't find any inconveniences at all. I'd definitely stay at one of the PerfectlyParis apartments again!

We have had a fantastic time during this part of our trip. The apartment and location have been a real highlight for our first time visit to this wonderful city. Do yourself a favour and spend the day exploring the local area of Montmartre. It has many delights and places of interest. We recommend staying here to everyone. Thank you!
