Logement dans une rue sympathique proche des transports à la décoration très ancienne et donc très sombre, cuisine bien équipée, grand lit confortable, salle d'eau un peu étriquée. L'immeuble est calme et tranquille au pied de Montmartre.

“Wir haben uns dort sehr wohl gefühlt und würden immer wieder kommen. Die Nähe zu den Bars, Restaurantants und die Einkaufsmöglichkeiten sind ideal. Die Wohnung selbst lädt auch zum längerem verweilen ein und bietet alles was man benötigt um auch dort zu entspannen. Schade ist nur die Enge im Bad.”

We felt very comfortable there and would always come back. The proximity to the bars, restaurants and the shopping possibilities are ideal. The apartment itself also invites you to stay longer and offers everything you need to relax there. Too bad is only the tightness in the bathroom.

Great Parisian apartment for two that's close to everything but not in the touristy part of Montmartre. Amazing variety of shops, food, restaurants and close to Metro and other transportation.

### **Markus Nehrwein – Freiburg, Germany 8 January 2017**

Nice place in a great neighborhood. A short walk to the Metro stations. Lots of food stores near by so you can buy quality fruit, fish and meat. Organisation is perfect.

Dear Gail, Thank you for all your help and recommendations. We really enjoyed our stay - Wonderful location, good apartment and some great recommendations for local restaurants and sites.

### **Mary McFadden – Glasgow, Scotland December 2016**

Great location so close to Sacre Coeur and Moulin rouge and 20 minutes on metro to Champs Elysees! Lovely apartment. Very French in amongst the Parisians! Gail is very sweet and a very helpful host and even left a very welcome bottle of wine for our arrival. I would definitely recommend!

Gail's place is nice and cosy, with a lot of charm. It feels a bit like you are staying at grandmas, but the place is convenient, clean and good value in my opinion. The bathroom, like most Paris bathrooms, is quite small, bed is comfortable and the heating is good. Would recommend.

Я жила в этой прекрасной квартире месяц, могу её смело рекомендовать на любой срок поездки. Отличная организация во всем:общение, месторасположение,встреча,чистота в квартире,рядом очень хороший маркет,церковь,парк,много ресторанов и кафе,а так же много достопримечательностей в пешей доступности! Квартира подходит для романтической поездки,светлая и уютная по домашнему,много важных вещей в квартире,очень понравилась кровать и постельное принадлежности, все белоснежное. В кухне много специй,сковородок,кастрюль и аксессуаров,есть стиральная машина и посудомоечная машина-ничего покупать не нужно,это очень здорово ! :) Хорошая и чистая ванная комната с хорошей вентиляцией и сушилкой для белья. Достоинств много, их сложно перечислить.... Я смело рекомендую эту квартиру для деловой или романтической поездки в Париж. Спасибо Ирина :) – *“I stayed in this lovely apartment a month, I can safely recommend it to any duration of the trip. Excellent organization around: communication, location, meeting, the cleanliness of the apartment, next to a very good market, church, park, many restaurants and cafes, as well as many attractions within walking distance! The apartment is suitable for a romantic trip, and comfortable at home, a lot of important things in the apartment, really liked the bed and bedding, all snowy. In the kitchen, a lot of spices, pans, pots and accessories, washing machine and dishwasher, do not buy anything you need, it's great! :) Nice and clean bathroom with good ventilation and dryer. The merits of a lot, they are difficult to list .... I boldly recommend this apartment for a business or romantic trip to Paris. Thank you Irina :)”*

We were met promptly by greeter who explained apartment and neighborhood. Nicely put together booklet of information on area and apartment. Many recommendations for area restaurants and shops. All of my inquiries beforehand were promptly answered. We had a great time and would recommend highly. Merci!!

First to write in this book! Thank you for sharing your fabulous apartment with us. We enjoyed the “Parisien look”!! Close to metro so we were able to get around without any problems! Thanks again! Merci!

Good location if you like Montmartre. Rooms are quite small but the building itself is very old so this is expected. The kitchen is fully equipped. The large bed is comfortable. The sofa is just ok. Wifi connection is ok, you might need to reboot router to fix connection speed.

The apartment was lovely and my husband and I enjoyed staying there for two weeks! Most mornings, we ate breakfast in the living room with the windows open, overlooking the charming residential street. The kitchen had everything we needed and was very cute. The bed was so comfortable! Good location too - close to many shops and cafes, the Sacre Coeur, and all the beauty of Montmartre! The host hired an AirBnB sitter and that worked well for us. They delayed cleaning on

our last day because there was no one arriving to stay in the apartment that day and our flight wasn't until the evening, so we could stick around until the afternoon. We appreciated that! The only drawback was the bathroom: it was very cramped and the shower didn't drain very well. We live in an NYC apartment and are used to small bathrooms but this was seriously small.

We were greeted by the host exactly on time, and the apartment was exactly as expected. Wonderful location close to Metro and numerous cafes, shopping, and restaurants. Will absolutely look to stay here again in the future.

The apt was clean and comfortable for 2 people. It was convenient to groceries, restaurants and only 5 min walk to nearest Metro stop and taxi pickup. It's on the first floor after walking up a short winding staircase. Minimal street noise at night. There is paint peeling off the walls, which should be addressed.

This is a wonderful little apartment, perfect for one person, pretty nice for a couple, a little squeezed for more than that. I stayed here nearly six weeks and everything went quite well although when my wife and son came it did feel small. The nicest aspects of the apartment: a lovely bedroom (very comfortable bed) and living room with a small table for eating. The couch is more comfortable as a bed than a couch, however, and I might recommend changing it, but if you are not spending time sitting around it hardly matters. The apartment kitchen is fine, pretty well equipped, and I did some cooking there. The bathroom is very, very small: for this Frenchmen and women fine, for those a of a little wider girth you will find it a challenge. I did not meet my host Gerben, but they did send an apartment sitter who opened up the apartment and noted, actually a few small things that needed attending. I never met Gerben but he and his mom were very helpful and taking care of these few things. I would recommend, however, a "systems check" before occupants come to make sure things are all in order: a simple measure like that would be good. The location of the flat is superb: 10 minutes from the heart of Montmartre, Metro line 12 gets you quickly to Rue de Bac, and the shopping in area is fantastic. Although the street is pretty busy, with the windows closed I barely heard a thing. So, overall, this apartment gets at 8.5 out of 10 for me. I should note that they have apparently repainted the place, which should really make what is already a very nice apartment look even sharper. A VERY GOOD value overall--I recommend it highly.

Quaint flat in a nice part of town. Good access to metro and just down the hill from Sacre Coeur. With just the right size for a visit and worked out beautifully.

We very much enjoyed our stay in Paris! We were met by an Airbnb sitter service, which worked quite well. The apartment is small, especially the bathroom, but it met our needs. The kitchen is better equipped than most. The apartment is on the first floor and street noise is minimal, because the direction of traffic is downhill, so no need for vehicles to accelerate.

Very happy with the apartment , very well located to the Metro and Sacre Coeur. There was a lovely Patisserie across the road and a small local supermarket literally on the next corner and plenty of eating places in the area. Apartment was just like the photos. Bed & sofa bed in the lounge very comfortable and it was nice to have a small kitchen with some useful condiments etc. and a small laundry was a bonus as we were there a week. All in all, I would recommend this cute apartment in a great area. Thank you
