If you love Montmartre and the impressionists like I do, this is the mecca and Gail's place looks out over the heart of the Place du Tertre. And the orientation of the apartment is unprecedented!!! I will most definitely stay here the next time in Paris!!

Loved this little apartment, it was in a terrific position close to everything special in Montmartre. Thank you for a great stay and for letting us leave our bags, that made a big difference

Gail and Georgina are amazing hosts. They went way beyond the call of duty when I asked for help for an issue my wife and I had unrelated to the apartment. We're really grateful. The apartment is awesome, and a great value. The location is amazing, but you need to be aware that its at the top of the hill. We didn't mind at all. If you do there is a cable car that you can take to avoid stairs if you want. The cable car is included if you get a metro pass. It was great looking out the window at the activity below. Lots of artists displaying their art or sketching people. The restaurants add to the ambience, and one close by even has live manouche guitar (jazz) music most nights. The cathedral is also very close. You can hang out on the steps and get a great view of Paris. Thanks Gail. Appreciate your great efforts.

Our stay in Paris was amazing. The bay windows were a perfect place to sit and people watch the active square below. The atmosphere was great and the location was perfect. It is only a small place, but had everything we needed, with a fully equip kitchen, a couple of fans for the hot weather (it was very, very hot), and even a small TV. I wouldn't hesitate in going back. We had an amazing time in Paris and the location of the apartment was perfect. Thank you!

The apartment itself is quite small, but everything works fine. Fortunately, we were out and about in the city and didn't spend much time in the apartment. The surrounding area is very tourist-trappy and we really did not enjoy the immediate surroundings. Being at the very top of Montmartre, all transit options (bus and metro) are quite a hike up the hill. All that being said, the host is wonderful and provides great recommendations and orientation with a bottle of wine :). Thank you for hosting us.

Very charming apartment in an excellent location. Open the windows and hear the soothing market chatter/ambience. We felt very comfortable here. Thank you!

The apartment, though small, was very clean and well located. It is two floors up from the street entrance and climbing a spiral staircase is required. The location is picturesque, a small village that is a center for artists. The cathedral and a wonderful museum are in short walking distance. There are multiple restaurants right outside the apartment although none are noteworthy. Gail responded quickly to my multiple inquiries and provided information that helped me in planning. The size of the apartment was small although it had all of the described amenities plus more. There was an ironing board, a collapsible rack for drying clothing, clothes washing/drying machine for example. Gail, thank you for your rapid response to my questions. You were very helpful.

Nice little apartment in a fun neighbourhood. It's well-stocked and communication was a breeze. We enjoyed the view onto the square and walking around this historic district. It's on a very touristy square and prepare for a lot of up and down stairs to get out of Montmartre. Thank you for a seamless stay. We appreciated the easy communication and how well-stocked the place was.

Great find!! Located in the heart of a major tourist attraction with great restaurants and unique art, the street screams France with painters walking around and unique gifts located next to an amazing church and the washer/dryer combo was a life saver.

Gail's place was just as we'd hoped it would be! Right in the center of beautiful Montmartre, overlooking the artists and lively night life and literally steps away from Sacre Coeur. The apartment was perfect for the two of us and we have great memories of sipping Rose and looking out from the window at the city below. Merci beaucoup.

Dear Gail! We thank you so much! The location of the apartment is fabulous! We enjoyed following the life and the artists at Place du Tertre. Everything we needed was in the apartment. The bed was very comfortable. We found easily the apartment, because of very good information. The information was very good regarding everything. We had a wonderful stay. The apartment of Gail is very cosy. The bed is very comfortable. We found everything we needed in the apartment. The bathroom was very small! The location was fabulous!!!! We would love to come back!! And the weather was wonderful too. We were very lucky! But the first day Viggo got a fine in the metro, because he had thrown away his thicket. Just a learning to others: Keep your ticket, until you are out of the metro!!! We would definitely want to come back to this apartment again! Best regards and love from Linda and Viggo❤️ Denmark

A perfect hide away after our busy days in Paris. We came home to relax in a perfect little apartment looking over the charming Place du Tertre listening to the street sounds below, wisps of the live music in the restaurants below. A truly French experience. The apartment is charming and a perfect size, access was easy and was like a home from home. The only problem we had was which artist to buy from. So happy we found this place.

What a fantastic find, a beautiful apartment in a perfect little corner of Paris. Montmartre is a special place for us and now we have found the perfect place to Stay. We will be back. Thank you!

Mona Van Cocto – Montpellier, France May 2017

‘Charmant appartement sobre et très bien placé. Très agréable à vivre, très bel emplacement au pied de la basilique Montmartre. Gail et Georgina sont très prévenantes, accueil IMPECCABLE.’

Charming apartment in a very good location. Very pleasant to live, very beautiful location at the foot of the basilica Montmartre. Gail and Georgina are very considerate, IMPECCABLE

Tim Heffernan – Toronto, Canada May 2017

Hard to manoeuvre around the bed. Suggest only one bedside table is needed and then you could put bed against wall opposite window. Otherwise, everything was great.

Caroline and Buhl – Germany May 2017

‘Sehr schöne Lage im Herzen von Momatre. Das Apartment hat alles was man braucht. Das Schlafzimmer liegt zum ruhigen Innenhof. Wir haben unseren Aufenthalt sehr genossen. Gail war sehr hilfsbereit. Alles sehr gut organisiert.’

Very nice location in the heart of Monmartre. The apartment has everything you need. The bedroom faces the quiet courtyard. We enjoyed our stay very much. Gail was very helpful Everything very well organized.

Jonathan Jones – Charlotte, North Carolina May 2017

Gail's place was an excellent experience. We arrived early in the day (around 1030 a.m.) and Georgina was there waiting for us with a bottle of wine and all the tips we needed about the place and area. The bed slept comfortably and the view of shops at Montmartre was a plus! Amazing stay. Thank you so much for allowing us to be there. We loved everything about the place, including the location (and the stairs were a needed workout for us!)

Davide Rampino – Spain April 2017

‘Posicon inmejorable dento de Montmartre perfecta y gente muy amable. Piso pequeno y con todo tipo de comodidad.’

Unbeatable position within Montmartre. Perfect organisation and very friendly people. Small and cosy apartment with all kinds of comfort.

Emily and Garrett – Boston, USA April 2017

We had an amazing time staying here. It was so nice to have a place that felt like home to come to after busy days exploring the city. I'll cherish the memory of sitting at the table, windows open, listening to the sounds of people below – while enjoying a glass of wine and watching the sunset over

the buildings. Even writing this now seems too good to be true. Thank you for everything. It was so great to have a home in Paris – even just for a bit.

Quintessential Parisian. Great location, clean apartment with character and style. Wonderful location overlooking the bustling square in Montmartre. Enjoyed the experience immensely.

Katy Mouzis White – San Clemente, CA
April 2017

This apartment is for the traveler who wants a real, authentic and unique experience. It is in an amazing location on top of the hill overlooking Paris and is nice to get away from the bustle of the main part of the city at the end of the day. We greatly enjoyed the experience of staying in this historic feeling apartment- felt like we went back in time. It was farther away from the main part of the Paris but we liked that because we could get away at the end of the day but still have lots of bars, food, and music to enjoy on the hill.

March 2017

We had a lovely stay at this apartment. The location was the highlight of our experience. It was picturesque and the perfect spot for us to explore. The apartment itself was spacious, especially compared to all of the other apartments we found in Paris- we were SO happy with what we got for the price! Gail and her team were lovely and easy to communicate with in regard to our stay. We loved that the apartment had a washer and many kitchen amenities. The bed and pillows were SUPER comfortable! Our only struggle was in regard to the shared toilet and shower, which was not a surprise, but was a bit less manageable than we expected. If you want to "get ready" for the day in the bathroom, it won't be easy and everything within that space will remain wet from the shower you just took! There's just no getting around it. The only other slight disappointment was that they were working on the outside of the building (yay for improvements!) during our stay, so there was netting, painters and construction equipment right outside of our window overlooking the square. It is sure to be lovely and construction free in the future and we would highly recommend staying here to anyone looking for a quaint, authentic, memorable experience.

February 2017

Lovely cosy flat overlooking the square. The book of suggested restaurants, cafes and convince stores was really handy and helped us to get our bearings. A beautiful area of Paris to stay in with lots of lovely boutique shops and cafes to loose track of time in. I would definitely recommend a stay. My boyfriend and I had an amazing stay in Paris. Thanks to both you and Georgina for all your help.

February 2017

This apartment is in a great location. Lovely and clean, good accommodation

Andrew Morbey – Minnesota, MN February 2017

This flat is really well located for those who love to walk and eat (for examples right at hand, La Coq Rico, La Degustation, Oggi; a bit further, the lovely Georgian Colchide on Poissoniers) and drink and explore some of the interesting and edgy places north east of Montmartre, as well as dip into the more familiar neighbourhoods below. Returning on foot to Montmartre is a fine aerobic activity. It is fun to watch how the day unfolds on Place du Tertre. The shower is always delightfully hot. I felt like a student again :) we quite liked the apartment and thought it wonderfully located!

Sevrin Remmo – USA January 2017

Great location, great place, great experience overall

Phillipe Cormault – Toulouse, France 6 January 2017

En dépit des travaux de ravalement actuellement en cours dans l'immeuble, notre séjour fut très agréable. Cet endroit est mythique. Au n°3 de la Place du Tertre, la commune de Montmartre avait établi sa mairie en 1790.

Hans & Lieke Vermeulen – Eindhoven, NL December 2016

Dear Gail, We enjoyed our stay at Place du Tertre very much. Everything was perfectly clean, tidy and well accommodated. The bed was great and the quiet in the apartment was remarkable. In the lively environment of Place du Tertre with the many artists and tourists, it was remarkable how safe and quiet the apartment felt. Central location with lots of restaurants, bars, supermarkets and public transportation options at walking distance. Be aware that this walking distance includes staircases with around 200 steps in total, except when you go to one of the restaurants at the square itself, which is quite costly. All in all we enjoyed our stay very much and we would definitely recommend it to anyone. Thank you for the good care and hospitality.

Gurutze Laboa – Euskadi, Spain December 2016

Gail, ha sido muy amable en todo momento y la comunicación con ella ha sido inmejorable. Estando en Paris, que no conoces a nadie, es una tranquilidad saber que Gail está al tanto para todo lo que necesitas. El barrio Montmatre una preciosidad, y sin duda, uno de los sitios más bonitos de Paris. Despertarse allí mismo, y todavía sin llegar la mayoría de los turistas, un placer poder desayunar allí, tranquilamente. El apartamento muy bien, perfecto para descansar después de estar todo el día en Paris. Muchas gracias, Gail. Gurutze & Aitor

Fernando Planelles Almeida – Spain December 2016

Muy buena experiencia. Nuestra primera vez con airbnb. Sin duda repetiremos. La chica que nos recibió encantadora. El apartamento muy acogedor y muy bien situado. Se cumplieron todas nuestras expectativas. Muchas gracias.

Nice and cozy place in beautiful Montmartre, feels like living like a local. The apartment is equipped with everything you need; we always had it warm inside (with freezing temperatures outside). Communication and reception was very smooth. A place to be recommended!

November 2016

Small and cute apartment with excellent location in Place du Tertre. The view is great, take a coffee in the morning with that view but without tourists is just amazing. Gail and her team are lovely and very helpful people. We had all we need to enjoy the area. Everything works well and the neighbors are also nice chaps. The building is in maintenance but nevertheless the apartment still quite.

We had a really pleasant time in Gail's apartment. Staying so close to Sacre Coeur is quite a treat, the sounds of the chatter from out in the square, the church bells... gorgeous area. The apartment is so cosy and warm and Gail and Georgina were very helpful and communicative. Would definitely stay here again!

We had a wonderful few days in Paris. Loved our little apartment – thank you very much to the PerfectlyParis team for making us feel so welcome and providing so much info and wine! We loved our trip to Paris - the apartment made it feel like coming home every evening! Montmartre was a great area to stay with lots of places to eat/have a few drinks and our greeter gave us some great tips on where to go to avoid the tourist traps. Gail and her team were super quick with communication, gave us loads of useful info and the apartment was perfect (exactly as described). Loved the area, the feel of the place and the well-equipped apartment!

Another wonderful week here, in our favourite “home from home” Looking forward to coming back next month!

October 2016

Gail and her team were very organized and communicative. The apartment was spotless and lovely with a charming view. One potentially minor thing is that there is only a curtain that separates the bathroom from the kitchen so that might get interesting for people not travelling alone. Beautiful apartment and you guys were great and very organised. I'll look up places run by your company when I am in Paris next. Also thank you for the wine.

Isabel and Paul – UK

Don't need to cry when we leave this time – because we're coming back next week!! Formidable!! Love this little nest in Montmartre.

Bill Shumaker – New York, New York
September 2016

The area was exactly what we knew it was! It was great to look out on the square first thing in the morning and the last thing at night. The apartment was comfortable and clean with a thorough binder of information about the area. Meeting up was easy; there were two sets of keys, which worked well for us! And our greeter went above and beyond to help us out!!!

Thank you for such a good time in Paris. A very good and clean apartment, we loved to stay here. For me it was my 8th time in Paris and for Paul his 1st and he absolutely loved it. This trip was a birthday present for Paul and he was very happy with it. I saw Paris through his eyes. Wonderful! Super place to stay. Very clean apartment.

September 2016

What a wonderful place to base yourself in Paris! Private and quiet, but looking out over the amazing artists square gives you a chance to be amongst it all, or in your own world. The place is perfectly furnished with everything you could possibly need including cooking and washing facilities, delicious Parisian wine and books and DVDs on Paris! Highly recommended. We loved this place – perfect location and lovely cosy flat. Thank you so much!

Thoroughly enjoyed our stay. Lots of exercise with all the steps and the pool was less than 1km away. Great ambience at night at Place du Tertre. Loved the Basilica restaurant.

Siu Hoi Yu – Hong Kong
July 2016

The apartment is exactly the same as shown on the website. Gail is prompt to reply emails and provide info for the stay. It's a nice area with lots of good restaurants. Yet, lots of stairs to climb at this area. The view is stunning overlooking Paris and it's worth all the effort climbing the stairs. It's a nice and cosy house with everything you need. Paris is an amazing city to visit. No concern on the apartment – great stay. Recommendation for italien restaurant "Mancini" for the food quality and the family atmosphere.

July 2016

The stay here was lovely. The location is picturesque, the place is clean and spacious, and Gail, the host, very very helpful. She was even able to extend my stay so I could take a late train at last minute. Easy to recommend. Location in Montmartre is spectacular.

Emily Stevenson – Toronto, Ontario, Canada
July 2016

Gail was very responsive right from the get go, and throughout my stay. This apartment was truly a "Perfectly Paris" experience - I loved having the buzz of Place du Tertre right outside of my window, and also really loved Montmartre for many reasons - but especially the street musicians, restaurants and views of the city. The bed was very comfortable, the apartment very clean, and well equipped. I loved the walk up and down to the area - but if you don't like walking, the metro is very convenient to get to this area too. I would highly recommend this spot, especially for first timers to Paris looking for that Perfectly Paris experience!

Dennis Hansen – Denver, Colorado
July 2016

Great location! The apartment was perfect, overlooking the Place du Tertre. The coordination from Gail after booking the place made everything easy and worry-free, with regard to getting the key and into the apt. And the free bottle of wine was icing on the cake. Made for a great experience in Paris!

Thomas Zukowski – Toronto, Ontario, Canada
June 2016

I can't thank Gail enough for allowing me to stay in such a cozy and clean apartment in one the best neighborhoods in the city. Gail had a greeter welcome me, but because my arrival time changed I was not able to meet with them. Nonetheless Gail was really flexible and helpful in getting me settled in. The apartment was perfect for me and my father. It was clean, cozy, and I felt safe. I felt like Parisian considering there are no hotels in the area. The apartment looks out onto a square filled with artists, cafés, and tourists passing through. Most tourists leave by sunset so nights were quiet and restful. Sure the area is hilly and can be quite the exercise, but it's definitely worth it. I'd definitely recommend this listing to anyone. It's the perfect escape from a long day of roaming the busy streets of the city.

Pawel Makarewicz – Warsaw, Poland

May 2016

This was our first visit to Paris and our first time using Airbnb. Gail, our host made the booking and planning very easy, she answered all our questions promptly and we found the whole holiday a delight. Our apartment at Place du Tertre was great and we couldn't of wished for a better location the only issue was the amount of stairs and distance to the nearest metro but this almost added to its wonderful location. We would certainly recommend Place du Tertre to anyone wanting to visit Paris. Perfect place to stay and see Paris. We have had a lovely time and will stay here again.

Lisa Bader – Frankfurt, Germany
May 2016

It was a great experience to stay with PerfectlyParis! The arrival and the stay were prepared very carefully and we felt very welcome. The apartment is really directly at the Place du Tertre and you can experience the lively atmosphere in this beautiful district of Paris just next to the Sacre Coeur. We would definitely recommend both, the apartment and the host, Gail. Thank you!

May 2015

Staying in Montmartre at Place du Tertre was simply wonderful. Having traversed most of Paris we are absolutely thrilled with our choice to stay here. Booking with PerfectlyParis was super easy and Gail couldn't have been more sweet and helpful. Upon arrival, Georgina gave us the entire rundown of both the area and the apartment and I would like to say thank you Georgina for telling us about the Montmartre Bus. What a save for my poor feet who've walked literally dozens of miles and miles of stairs. Although we had rain everyday, Paris was magical and the history and the beauty of the city was awesome. Having seen so many important and historical sights I'm super thankful they were able to survive the test of time and unrest in the city. My personal favorite things from this trip were being in the tower of Notre Dame overlooking the city whilst the bells rang and the Moulin Rouge. We saw a show there and it was one of the best experiences of my life. Aileen's favorite things were the Eiffel Tower and the abundance of delicious, affordable wine! And the Parisians? Could not have been any nicer or more helpful and kind. We adore them!

Jane and Matt – Toronto, Canada April 2015

We had our little home away from home here in Place du Tertre. Although we were only here for «3 nights, we got to experience Paris in the sun and the rain. Both very beautiful! We would love to stay here again and loved the bottle of wine.

We enjoyed our stay in the lovely Place du Tertre. It was fun being in the center of such a beautiful and historic area, and we enjoyed opening the living room windows and still feeling like we were part of the action happening on the streets as we relaxed in the privacy of our little flat. The neighbors we met were very kind--especially the one who offered to let us use his mobile phone! Thank you for a wonderful stay in Paris!

As we look out onto Place du Tertre one more time, we want to thank you for a genuine French experience. We do recommend using Anvers on the blue line then the funiculaire coming up the hill, it's a quick change at Pigalle. We are already planning our next trip with others to share our exploration of Paris via PerfectlyParis.com!

**Silvano and Audrey – Fort Langley, BC, Canada

Thanks to Gail for assisting in our "rescue" when we were left without a place to stay in Paris! This was our third trip to Paris but our first visit to Montmartre. To say being immersed in day-to-day life would be an understatement! The sounds, smells and crowds formed a perfect backdrop. We found the funiculaire made getting back to the apartment much more fun. The metro pass covers this as well as bus and metro which was a great value. We look forward to returning in the near future!

Thanks Gail for organising our stay at this gorgeous apartment. We loved it and love Paris. So glad we stayed in Montmartre area. What a super two weeks at Tertre. We really felt we were part of the life on the square – the buzz was infectious. Try an early breakfast in Cadet de Gascogne and watch the square come to life. Then sit at the windows in the early hours of the morning and enjoy the 'theatre'. Always something to see! The location of the apartment can't be better!

11 June 2011

Thank you Gail and Preston for a most enjoyable stay in this apartment. Everything was great from first contact we had with Gail to Preston's warm welcome and 2 weeks of pretending we were "Parisians" with all the amenities you provided for us. Since you asked for comments, way we suggest a clothes hangar for drying clothes along with heavier drapes in the bedroom to block out the light from other apartments at night. You made us feel at home from the beginning.

How come when you are in such a magnificent setting time just flies!? Our time is up and today is the first cool overcast, slightly wet day, and what a contrast to the village. Not so lousy. Different colours, more muted, flatter. But even more beautiful than the bright sunlight. We leave to start another new adventure in England. We shall never forget our fabulous time here. What a place to explore. We will force our family and friends to make the journey to this exciting, vibrant place and stay in this unique and interesting square and flat. Thanks Gail for sorting out my booking and thanks Preston for his most warm welcome.

What a wonderful little apartment, bathroom has us in stitches of laughter. The location is wonderful and we've really enjoyed sitting watching the artists, having a glass of wine, we did buy some Champagne flutes as we prefer them and have left them here for others to use. Thank you for all the wonderful touches you have provided, everything is so comfortable and it was really great being able to cook for ourselves. We are sure to return!

Dear Gail, We have had a wonderful but all too short 3-night stay in the 18eme. It was a surprise for my partner's 50th and he was blown away by the location as was I! All went well with the flat and we really loved coming back to rest and recuperate after our meanderings around Paris. We cooked some nice meals. Very cosy and comfortable and well thought through with added touches. Look forward to maybe trying another apartment from PerfectlyParis as all went so smoothly this time. Thank you so much.

Dear Gail and Preston, What a wonderful week we've had! The apartment is so cosy and has everything we could need. The vibrant ambience of Montmartre wafting through the windows is an added bonus. And the sun shone all day long, every day – I hope you can arrange that again for us in the future. Merci mille fois!

Dear Gail and Preston, Wow! What a cool little flat! A perfect, cozy perch for people watching in colorful Montmartre. Such a comfy bed, I had a hard time getting up in the AM... and, for the serious multi-tasker such as myself, the bathroom was perfect. Thank you again for everything, my Paris vacation would not be the same anywhere other than in one of your terrific flats. Maybe next spring, I will try for a 4th flat in another area. Until we meet again, all the best to both of you!

Dear Gail and Preston, Just to say how much we enjoyed our stay at number 3. I reckon we have found the perfect place to be in the heart of Paris and watch each day unfold in the Place du Tertre below our window. I look forward to returning. Thanks for your help in making our stay so enjoyable.

Very pleasant apartment – well equipped and comfortable. One of the hottest weeks in Paris, but opening the windows both sides gave a cooling breeze. A little noisy both night and morning but we became accustomed to it after a few days. After walking around Paris all day and then back up the stairs we were ready to sleep. The free telephone was a pleasant bonus!

Many thanks for a great stay: clean, comfortable accommodation, great spot and fabulous people watching from our window. Of all of the people I dealt with while organizing accommodation for 1 month stay in Paris, Gail was the most professional!

Gail and Preston, Another memorable time in Paris, enhanced by a PerfectlyParis apartment. We didn't think we would find this apartment as nice as 'Elegance at Lamarck' but Place du Tertre was even better in many ways. Who needs a big screen when you have an ever-changing view of people from all over the world pass by the window on the streets below. One of the great reasons for choosing an apartment is the kitchenette. Pigalle offers grocery stores and there are fruit, meat, cheese, and bakery shops in between the top of the hill and below. We enjoyed several wonderful homemade meals. So much more could be said. Thank you again.

We are in Paris for work purposes so have spent most of our 5-day stay in the exhibition centre at Parc des Expositions. Therefore it has been great to come back to the pretty Place du Tertre and feel like we are en vacances! The apartment is cosy, comfortable, well equipped and so fabulously located. The wine was a lovely thought and the free telephone calls were an unexpected extra. Our colleagues are staying in the Stylish Abbesses and Abbesses Atelier apartments on rue Vieuville and are delighted with their accommodation – we popped in for a nightcap with them and can confirm that they are also fantastic apartments! PerfectlyParis are a wonderful company who have been absolutely great to book with – thank you to Gail for all your help before arrival and to Joseph for the welcome. We wouldn't hesitate to recommend PP and will hopefully be back next year for Maison & Objet and another Parisian apartment experience! Why would anyone stay in a hotel??! Thanks again.

Gail and Preston, A big thank you for offering this wonderful apartment. The location and view from the window made this is the perfect place to stay in Paris. Thank you also for your help and advice: the teabags, umbrellas, and assistance with the washing machine were the icing on the cake (or the Nutella crepes, as the case may be!). We are looking forward to coming back for our next stay in Montmartre!

What an incredible time we've had! The food, the view from our lovely apt., the kindness of everyone in Paris! Gail and Preston have been so very helpful and we will refer anyone to this delightful place. Thank you. We highly recommend the open-air bus tour. A perfect way to see a lot in a short time. We are 1st time visitors and loved it!!

Another wonderful stay in Paris! We loved the view from the apartment – spent our evening with a glass of wine or ice cream watching the Place du Tertre from our window. We had a fantastic weekend and we're sad to be leaving, but I'm sure we'll be back!

Thank you for a “PerfectlyParis welcome. The wine was a most thoughtful and hospitable gesture! We loved our little “3 Place du Tertre” home for the week... location, location, location! Paris is a beautiful city...big city... we felt like we walked half way around the world and back! Loved the artists, the nightly chatter, the basilica lit domes that shined in the bath/bedroom and the ambiance of this city! Lovely sights to remember until our next visit.

We came to Paris to celebrate our birthdays. Dina's first trip, I wanted her to experience the Paris village life. This was perfect! I love this part of Paris. The whole square was transformed this weekend. They worked all night to set it up. I know because I was awake all night. Great time – weather could have been better, but it's Paris, who cares. We are enjoying bread, cheese and wine, watching the people out the window. This is PerfectlyParis!

We cannot even begin to sum up the amazing experience we have had in this wonderful city. The apartment has been a true “home” away from home... so cosy, so perfectly located. We have ventured out to see many sights yet have also become “locals” here in Place du Tertre. We will miss

our new friends yet will also be keeping in touch with a few. Thank you again for everything, you made the planning of this adventure a pleasure.

This has been my third PerfectlyParis having stayed in Lamarck Caulaincourt in 2004 – am glad I kept the fridge magnet so I could return in 2008, this time with my partner and 4 month old son. We've really enjoyed our stay overlooking the heart of Montmartre and Sacre Coeur just behind us. Will be back definitely. P.S. Would be great to have some big mugs and dessert spoons though...

Hi Gail, Many thanks for all your help in arranging this stay in Paris for us. "Place du Tertre" is a great apartment situated (in our opinion) in the best district of Paris. So many memories of visiting gems of the city and evenings spent watching the artists below. I'm sure we'll be back. Best wishes.

This is my fifth visit to Paris and my second time staying a 'PerfectlyParis' accommodation. Both apartments have been great. It is my mum's first visit and she has loved staying in Montmartre, especially being in the thick of things in Place du Tertre. We ate in the square on our 1st night (at Au Cadet de Gascogne) as our feet and legs were too weary to go any further after a day of sightseeing. The food wasn't exceptional (but perfectly OK) but the atmosphere and music were great, service was good and prices reasonable. We went further on our 2nd night to La Rugetta, the Italian mentioned by other guests – and this meal was excellent. We've both enjoyed watching the portraits below develop after returning to the apartment at night until we have slunk off to bed. Very nice accommodation. Thanks.

Hey Gail, Many thanks to you and your crew for providing this lovely space for our week-long stay in Montmartre! It's the "perfect" environment for the family as we blended in quite well. Until our next stay, all righteousness to you and yours!

Many thanks for a perfect stay. The location is fantastic and the apartment has everything you could need for a short stay. We were here with our 2 year old so it was great to feel like we were in the thick of things whilst retiring fairly early in the evening. This meant we could still look out of the window and feel a part of things. A big thank you to Gail for arranging the stay at short notice. We'll try to be more organized next time!

This was our 3rd time in Paris and our first time staying at a "PerfectlyParis" apartment. Needless to say we will never stay in a hotel again. The apartment was wonderful. The amenities are excellent and we could not have wished for a more perfect Christmas day. Thank you Gail and Brianne for making our stay in Paris unforgettable. P.S. May I suggest a couple of DVD movies would be good to have for a cold night in.

Our trip to Paris was perfectly complimented by this cozy apartment. Montmartre was a beautiful crest to the tapestry below. The discovery of the funicular saved us a lot of sweat and tears. Thank you for all of your help and kind consideration.

Great apartment, great location. I didn't think that 12 days at Place du Tertre could be so enjoyable. The apartment is cosy enough that you can forget the hubbub from the tourists below and really feel like you're home. Thanks.

We had a wonderful stay at the apartment. The amenities were excellent and so was the detailed documentation you so thoughtfully provide. Thank you for all the help you extended to us during our stay. It was great to meet you and to have a warm, friendly welcome on our first visit to Paris. Thanks to Preston, too, for helping us settle in. "Perfectly Paris" sums up our stay here! We'd love to visit again. P.S. The bottle of wine was a nice touch.

Hello Gail. Instructions to the apartment were very clear. Nice to have someone to meet and greet! Beautiful area around here and very accessible to all the great Paris sights. We would love to come back to go to all the places we could not reach. Had a fab meal at Le Poulbot with simply the best service from a waiter in Paris! Great French cuisine also. Hope we come back soon!

We had a delightful time at Place du Tertre. The accommodation was really comfortable and cosy. It was nice to leave the windows open and allow the lively chatter from below to filter upward. The apartment was very well equipped and the maps were most useful. The location was great as was the atmosphere. The daily trip to Abbesses metro station was worth it for the views. We thoroughly enjoyed our stay and will definitely be recommending it to our friends and colleagues. Merci beaucoup!

We had a fantastic time, thank you. Your directions to the apartment were really easy to follow and Preston was very helpful when we arrived. The apartment was lovely – we thought that it retained lovely original features like the marble fireplace and it was also very modern and clean. It was decorated in a really nice style and was very comfortable. It was so much nicer to stay in an apartment than a hotel. All of the extra touches, like umbrellas (which we needed!), maps and guidebooks were really useful and thoughtful. Your file on what to see and where to eat was really helpful, too, and we had a fantastic meal at La Rugetta, one of your recommended restaurants. The location was great with lovely views of the square and the painters. We really enjoyed our stay and will recommend your apartments to our friends and would definitely choose your apartments again.
